

Student Projects and Theses

Please complete this form with some information about yourself and about your research interests. This helps us to find a suitable project for you at the Institute for Computational Mechanics. A selection of current project proposals can be found on our website (www.epc.ed.tum.de/Inm/student-projects). Apart from that, we welcome your unsolicited application with reference to our current research activities at any time. You get a proper overview of our research projects by browsing through our website (www.epc.ed.tum.de/Inm/research). Please make full use of this opportunity to find some matches with your personal research interests before you complete this form.

Personal Data:

Last Name, First Name:

Matriculation Number:
